

Casa Parretti Apartments, Tuscany, Italy

This beautiful private Estate is perched 650 metres above sea level with amazing views over the surrounding countryside.

Dominated by an 11th century Castillo, the hamlet consists of 5 newly renovated houses, all beautifully done by world-class designers David Mlinaric and Hugh Henry. They are charming, elegant and very atmospheric, combining lovely pieces of antique furniture sourced in Arezzo and Florence, pictures, rugs and lots of pretty china and pottery. They are well equipped and have all mod cons such as WiFi and Sky TV. All have gardens or little courtyards which are furnished for outside living and dining. Two have private pools.

The houses can be taken singly or in combinations of two houses or more and work well this way. The management can organise dining facilities for the entire group. Casa Meli and Casa Vitti share a pretty garden and are perfect when taken together for 14 pax (to ensure privacy, Vitti is not rented if Meli is taken for 8 pax only). Casa Jani and Casa Teatro are perfect when taken together for 12 pax.

Recently, two beautifully appointed one-bedroom apartments have been added in Casa Parretti which is next to Casa Rosi and within close proximity to the Estate's restaurant (see below). These apartments are ideal for guests visiting the restaurant or wishing to stay overnight or for a few days. Alternatively, they provide additional accommodation for groups of family or friends who take all the houses. The Estate can now accommodate 34.

Furnished and decorated by the leading Italian designer, Federico Forquet, each apartment has a double bedroom, bathroom, dressing room and sitting room. Apartment 1 has a garden terrace. There is air conditioning, a television, WiFi, small fridge, tea and coffee making facilities. Meals can be served in the apartment or in the restaurant.

The Estate is within easy driving distance of the hundreds of beautiful villages and sights of Tuscany and not far from Siena, Arezzo, Rome and Florence.

There is an exceptionally high quality one Michelin star restaurant in the village which is well known in the region and serves delicious, traditional Italian cooking.
