

PERLA TWO-BEDROOM SUITE

Positioned on the first floor of the building, also called 'Piano Nobile' which traditionally contained the principal reception rooms of the house, this palatial villa suite offers spectacular views of St. Mark's Basin from its imposing living room and stylish kitchen. Here the walls are painted in a warming hue of salmon pink and two over-sized windows frame views worthy of a Canaletto Painting. Massive sofas create a comfortable atmosphere dramatically embellished by precious works of art. The quiet bedrooms are situated on two separate floors. The master bedroom boasts high ceilings, fabrics by Rubelli and Persian rugs. The second bedroom, covered with harlequin themed fabrics also by Rubelli, offers guests the privacy of an outdoor terrace.
