

Tartaruga, Vamizi Island, Mozambique

Bohemian Bliss – the epitome of privacy and exclusivity.

Tartaruga is a 5 bedroom private villa set within 3 acres of forest and with 130 metres of pristine beachfront, offering absolute exclusivity and privacy.

There are three en-suite double/twin rooms, each with their own private deck, living area and fridge. A further two rooms are situated up in the “treehouses” (3 single beds in each which can convert into a super-king and a single). These treehouses are linked by a star gazing deck, which sits in the tree canopy, and work for adults or children alike.

The master suite has a large dressing room, generous living area and adjoining bedroom for younger children. The other suites are cleverly located for maximum privacy and a private, ‘jungle feel’.

The main living area has a striking palm thatch roof, supported by magnificent pillars of locally-collected Casuarina driftwood. Its open sides lead on to a vast deck, home to the saltwater swimming pool, which flows into the landscaped gardens leading down to the ocean. Adjacent to the living area is a shaded outside gazebo with a further dining area located at the edge of the beach. The local coral limestone walls and hand-carved windows and doors are a distinctive feature of this beautiful villa.

Tartaruga is staffed with a private chef and hospitality team and has its own 4x4 car with driver. It is equipped with WiFi, projector and a Bose music system. Herbs, salads and vegetables are grown in its own garden and flowers and foliage fill the house.

This is the perfect destination for a large family and for those with a taste for adventure!
